Review the February Update

Fire in the grill under hot dogs and burgers is a welcome sight at the family cookout. But fire anywhere else can make your summer kick-off barbecue memorable for all the wrong reasons. To keep you and your family safe while grilling, here are two simple safety tips:

- Place the grill well away from the home, deck railings and out from under eaves and overhanging branches
- Keep your grill clean by removing grease or fat buildup from the grills and in the grays below the grill
